Oh my GOD!! Whatever possessed you to be so generous this year is certainly cause for celebration and gratitude on my end! THANKYOU THANKYOU THANKYOU!!! Of course, if it was meant to be \$30 instead of \$300, let me know ASAP! LOL

So, LOVE AND THANKS to you and Seika -- we surely will miss your happy presence this year, and look forward to seeing you next time you are around. We will make some Pyrate dolls in your honor at the next doll party, so you will be represented at least in spirit!

LOVE!!!!!!!!!!!! --Kathy
